You are entering into an agreement for the Services on the terms and conditions of this Agreement with Talkmobile Limited, Vodafone House, The Connection, Newbury, Berkshire, RG14 2FN, registered in England and Wales under Company number 04154716 ("**Talkmobile**")

Contract Customer Agreement – I've read and agree to the following:

A. This Agreement covers the SIM Card and any Services (including minutes, texts, data etc.) I use in my monthly plan ('Plan'). It's made up of the Pay Monthly Customer Agreement, the [Detailed Price Plan Info](#), Returns Policy, Acceptable Use Policy and Buying Online Terms, and any additional products or services I choose to use or take.

You should also look at our Privacy Policy on how we use personal information. Please refer to our Privacy Policy and Cookie Policy for more information.

B. This Agreement is for the Minimum Period shown on the order form or in the Welcome Note. It starts when Talkmobile connects my SIM Card to the Plan shown and I may end it by giving Talkmobile 30 days' written notice. If it ends before the end of the Minimum Period (whether by me or Talkmobile), I may need to pay an Early Termination Fee (including VAT). This applies when this Agreement comes to an end in clause 10, except:

- If Talkmobile ends this Agreement by giving me 30 days' written notice as per clause 10.2.6 or 10.2.8 or because Talkmobile is permanently unable to provide the Services to me; or
- The Services are materially degraded for an unreasonable period of time; or
- If I end this Agreement [due to a specific thing that Talkmobile has done as detailed in clause 10.3.

In these situations I don't have to pay Early Termination Fees.

C. Charges. I'll pay all Charges (whether I use the SIM Card or not), due under this Agreement. The minimum price for the Services provided under this Agreement is the cost of all the Plan Charges for the Minimum Period. Some Charges are for Out of Plan Services. You can find the charges for Out of Plan Services at the Detailed Price Plan Info. If my mobile Equipment is lost, damaged or stolen, I'll still have to pay all the Plan Charges for the Minimum Period. Charges for using the SIM Card and Services abroad while Roaming outside EU/EEA areas may be a lot higher than UK charges and I will be charged for sending texts, making and receiving calls and accessing voicemail messages.

D. Lost or stolen Equipment. If my Equipment is lost, damaged or stolen, I'll still have to pay all the Plan Charges for the Minimum Period. If someone finds or steals my Equipment, I'll have to pay any Charges they incur until I tell Talkmobile it's been lost or stolen, up to a maximum of:

Notification within 24 hours: £100 maximum

Notification 24+ hours: £500 maximum

Notification 5 days+: all charges until you have reported to us

E. Personal Data. Talkmobile may use and share my personal information as described in clauses 12 and 13 and in our [Privacy Policy](#)

F. Changes to the Charges, Services and this Agreement. Talkmobile sometimes has to put up certain Charges or change this Agreement, the Services or charges during my Agreement. If this happens, you'll tell me beforehand and I may have the right to leave this Agreement. I can read more about this in clause 14 ("Changing the Agreement" section). In particular:

Annual adjustment to your Plan Charge and OPS Charges: If you increase my Plan Charges above the CPI rate plus an additional 3.9% more than once per calendar year (see the "**Annual adjustment to your Plan Charge and OPS Charges**" section below), I'll have a right to end this Agreement without paying an Early Termination Fee in line with clause 10 and 14.

Out of Plan Charges: Talkmobile may increase the charge for Out of Plan Services at any time as per clause 14 below. I can read more about this in clauses 10 and 14.

G. Upgrades. If I request an Upgrade or renewal of my Agreement with you and you agree to this, I will need to agree to a new Minimum Period and I'll need to pay the new charges applicable to that agreement. You will discuss this with me when I am eligible to Upgrade or renew my Agreement.

The Services which we agree to provide to you may not be available abroad unless you have international roaming enabled and even when you have Roaming enabled, it may not be available in all areas abroad. To find out which Services are available abroad visit talkmobile.co.uk/roam-charges. You may not be able to use the Services which we agree to provide to you to call all countries or all international numbers. Unless otherwise agreed, the Services do not include call divert or call waiting. We reserve the right to add to, substitute, or to discontinue any Additional Services at any time. We do not guarantee the continuing availability of any particular Additional Services. Not all mobile devices will be able to receive the Services. If you buy a SIM Only tariff from us, your current device may be restricted to use on another network or 'locked' and you may need to obtain an unlocking code from your current service provider to be able to receive the Services. Failure to enter the correct unlocking code may result in your device becoming permanently blocked. We accept no responsibility for devices blocked in this way or for any costs incurred in the provision of an unlocking code.

3.2. When you join Talkmobile your SIM Card will be barred from making premium line phone calls and premium texts. You will be able to make premium rate phone calls and premium rate texts if you contact us to get this added. You will be charged for this as OPU.

Using your SIM Card whilst Roaming will depend on whether we have arrangements with the foreign network operators. Unless you have inclusive Roaming in EU/EEA areas. You will be charged for Roaming in addition to your monthly Plan Charge as OPU (including calls that you receive as well as those that you make). Charges incurred using your Roaming service may take longer to be charged than normal charges. If applicable, when you are roaming in the EU/ EEA regulated area then your standard plan allowances and Out of Plan usage will apply. However, this is subject to additional charges as provided in the Roaming fair use policy and Permanent Roaming terms of our Acceptable User Policy (AUP). Visit <https://talkmobile.co.uk/roam-charges> for all Roaming charges. Please contact us if you wish to bar Roaming on your SIM Card. You'll receive an Out of Plan Alert ("OPA") when you've reached your Out of Plan Usage ("OPU").

3.4 We'll try to give you the Services when you want them. However, due to the nature of mobile technology, it's impossible to provide a fault-free Service. The Services and content services you enjoy in the UK may not be available when you're abroad.

If you place an order for an additional service or otherwise instruct us to change the Services we'll try our best to complete your order as soon as possible but there may be a delay in your order being completed. We may agree to vary the OPU after making credit checks. You'll be sent an OPA when you've reached your OPU. Once we have established that you've exceeded your OPU (which may take some time), the Services will be restricted and on attempting to make any call you'll, be automatically diverted to our Help Team who will be able to assist you.

3.8. Please note that the OPA doesn't function in real time and therefore you may be able to incur Charges which result in you exceeding your OPU. If this happens, you'll still be liable to pay for all Charges incurred in excess of your OPU.

Charges for additional services may change from time to time and may be outside of Talkmobile's control. Talkmobile will notify you of these changes unless these services are offered by a third party;
- viii) **Out of Plan Services** (additional minutes, texts, data, roaming, international calls, etc.). Talkmobile may increase charges for OPS at any time. Any increase to roaming charges above those set out in the paragraph below (**Annual adjustment to your Plan Charge and OPS Charges**) will be linked to increases in the wholesale rate notified to Talkmobile by other providers. Such increases will occur no more than quarterly.

14.2. We are also entitled to make the following changes to the Agreement, our Services or charges (together, the "**Permitted Changes**"):

- i) **Annual adjustment to your Plan Charge and OPS Charges.** Each April, your Plan Charge and OPS Charges will increase by an amount equal to the Consumer Price Index rate published by the Office for National Statistics in January ("**CPI rate**") plus an additional 3.9% on top of the CPI rate. We will apply that CPI rate plus 3.9% adjustment from your April bill. In the event that the CPI rate is negative, this will be ignored but the additional 3.9% will still apply. For roaming charges, such annual adjustment will apply from April 2023 onwards;
